

Holkham Parish Council - Clerk's Report – 14 July 2020

- 1) Not a lot to say – July is usually a quiet meeting anyway, but there is even less going on than usual. At the last meeting we were still getting to grips with Covid, and now that we are going through a transition stage, hopefully to greater normality, we just have to wait and see if it works or whether we all have to hide-up again. At least we'll be used to it if we have to return, except that we are unlikely to get the weather that we had in April, May and June again!
- 2) I have asked Emma, and she has agreed to be temporary Chairman for the coming meeting – I hope you are all in agreement! Last time half-way through the meeting Harvey and I linked up with FaceTime and found it easier to work. Emma and I have tested it out and will be in contact from the word “go” this time. The advantage is that if there are problems with the New Holkham broadband part-way through, I can at least keep the meeting ticking over until it comes back.
- 3) I finally managed to retire from Binham on 30 June, and to hand over the paperwork to a locum Clerk on 1 July. As well as Warham, I am continuing to work for Holkham PC for the foreseeable future.
