Dear Councillors

Starting with a reminder of normal life ..... recycling, fireworks, fostering and Cherry Tree Corner:

### **Recycling: Good news the recycling centres will be kept open during the 'lock down'.**

**Fireworks** – Bonfire Night will be over when you read this edition Quay but various small celebrations may be under consideration. Whilst we all know to buy from reputable sellers Norfolk Fire Brigade would like us to check on firework and bonfire safety by going to: [www.norfolk.gov.uk/fire](http://www.norfolk.gov.uk/fire).

### **Norfolk Fostering Service is Looking for Local Foster Carers for Local Children:**

A stable and loving home can make an incredible difference to a child or young person, while also being an enlightening and rewarding experience for the foster carer. Carers are needed for children of all ages. The Council welcomes people from all sorts of backgrounds to care for our children and young people in different ways. They need someone who meets their particular needs and these differ greatly – so children and carers are matched very carefully. Some carers still work full or part-time while fostering mainly as respite carers. Some welcome the children and young people into their homes to live with them all the time, while for others it might just be a weekend a month; some are emergency carers we can call on if we need them. Foster carers are paid an allowance which is dependent on experience and training. *'We would like to hear from the optimistic, adventures and positive individuals who can offer a child meaningful support. Text FOSTERING 287222*

**Cherry Tree Corner:** A while back some eight local councils expressed interest in a roundabout to ease the Cherry Tree Corne congestion. I am sharing the information via the Chronicle since frequently surprised as to who uses that route. And I am not yet privy to the full details which will become clearer when the proposal goes to planning but here is an EDP extract:

*'Funding secured for new A148 roundabout - paving way for 950 homes and school. North Norfolk District Council has secured £928,000 in matched funding to help finance the building of the £2m roundabout to support a new housing ...'*

**Clear face masks:** Good news - NHS and care workers to be given clear face masks helping communication with people with conditions such as hearing loss, autism and dementia. The masks are see-through and have an anti-fogging barrier ensuring face and mouth always visible to aid communication. Social care providers will have access to the masks through a new pilot system.

**Rough sleepers to be helped to keep safe this winter** – The government has announced support to give local areas the tools and funding they need to protect people from life-threatening cold weather and the risks posed by coronavirus. Includes a £10 million Cold Weather Fund to support councils get rough sleepers off the streets during the winter and **an additional £2 million for faith and community groups to help them provide secure accommodation for rough sleepers.**

**Apply for a kickstart scheme grant:** I am told worth looking again at the Government's guidance for employers looking to create job placements for young people - [Kickstart Scheme](#) provides funding to create new job placements for 16 to 24 year olds on Universal Credit at risk of long term unemployment. Employers can apply for funding as part of the Kickstart Scheme.

**COVID-19 Information:** Guidance and instructions change rapidly and are becoming more localised. Check for updates via the official and updated websites:

(this includes the effect on local services as well as the latest regulations for Norfolk and reference to many if not all of the government schemes)

Please keep remembering those without a lap top etc. If you spot something which might be of value or interest to such a person consider asking if they would like a copy.

Finally I would like to acknowledge the many good works which continue to take place throughout our division – sometimes without a recipient knowing who performed the good deed.
