

## **Holkham Parish Council – Clerk’s Report 9 November 2021**

Not a lot to say this meeting except:

Daisy Hone wrote to DJ on the day of the last meeting, saying that she would like to join the Council, but that she couldn’t come to that meeting as she was unwell. Hopefully she is fully recovered by now and will join us on the 9<sup>th</sup> of November. If she does it will mean that we will be fully up to strength with seven Councillors – which we haven’t been for some time!

I have been unable to provide an up-to date copy of the accounts this time, as I am waiting for the bank statement from Barclays. With any luck this should be issued by next week and I can therefore bring it to the meeting.

This is the annual budget/precept meeting. You will see that I have recommended an increase of another £500. This is partly because I believe that a lot of prices will rise in the next twelve months, and partly because I believe that you may want to financially assist Heritage House every year as well as another local worthy cause (from March 2023).

KL 01.11.21
