

Clerks Report – Holkham Parish Council – Tuesday 10 January 2023

Apparently, the Estate has decided that it is no longer convenient to use the Victoria as a Polling Station. Instead, they have offered the Ancient House. Since this was to be discussed at an NNDC meeting in December, I was asked by Peter Fisher whether the Parish Council would be likely to approve such a move. You will appreciate that this was a few days before the event, and therefore not convenient to call a meeting to discuss it. I told Peter that I thought that the Ancient House would be an excellent substitute, as it is virtually adjacent to the Victoria and has a suitable parking area. The alternative would likely be either a mobile station, or for Holkham to use the Wells Polling Station at the Methodist Church. I hope that the PC agrees!

NNDC get very excited about forthcoming elections and there will no-doubt be plenty of notices about them in the next few months before the Parish & District elections on 4 May. As in previous election years, I will try to get the completion of candidate forms undertaken at the next meeting on 14 March – assuming that they are available at that time.
