

HOLKHAM PARISH COUNCIL – CLERK’S REPORT 13 JAN 2026

Another year dawns – let’s hope that it is a happy one!

At the last meeting in November, potholes were complained of in Chapel Yard. You will appreciate that it usually takes a week or so to deal with these issues but on this occasion, it was slightly less than a week when I emailed the Estate to ask them to fix them. They came straight back to tell me that they had filled them a couple of days earlier!

The government’s plans to reduce the number of Councils continue in the background. All districts/boroughs plus the County Council have submitted their ideas to the “powers that be” and are now waiting for a decision to be taken. Meanwhile it is unclear whether the elections will take place for the new Mayor of Norfolk and Suffolk before or after the revised Council structures are in place.
